

# Friends of the J. Paul Leonard Library

San Francisco State University

1630 Holloway Avenue, San Francisco, California 94132

Friends have access to most services except the 1<sup>st</sup> floor 24-hour computer lab, inter-library loans, holds on materials, Reserve Book Room materials and mediated online services.

During periods of high demand for specialized services, current SFSU students/faculty have priority. Friends, like other library users, are responsible for any late, lost or damaged material fees that accrue as a result of access to library services. Friends must be at least 18 years old; high school students and younger do not have access.
